

Hopewell Network Pastors Meeting

May 3, 2011

The meeting was opened with worship led by Rick Rowe.

Reports and Announcements:

- Allan shared an update from his Mexico trip. The leaders in the Hopewell Mexico Network are growing in the Lord and very busy planting churches. The main church lead by Pastor Bravo continues to grow.
- Patrick gave a report from his church's trip to Kenya. A team of seven from Living Truth Fellowship traveled to Kenya and ministered in a youth conference and also a ladies conference. Many people were saved, healed, and given hope. The Hopewell Kenyan Network churches were strengthened. It was great trip and both the US team and those they ministered to were deeply touched.
- Reminder to sign up for the Hopewell Spring Breakfast on May 14.
- Dove/Hopewell Leadership School will graduate 18 students on Saturday, May 14.

Training Time:

Global Media Outreach shared about their desire to recruit internet missionaries.

Allan shared some key things to think about as we form short-term mission teams.
