Announcements:

1. Several international reports were given.
2. Dave Stoltzfus, who is a missionary to the Philippines, will be moving to Hong Kong to start a Bible College and church.
3. Darryl Henson gave a report on his ministry to Russia and Eastern Europe.
4. Allan Yoder gave a report on his recent visit to the Hopewell Network's work in Mexico City under Pastor Bravo. The work is growing and the building is now paid off completely. The two new church plants in the mountains are also growing.

Prayer Request:

1. Please continue to pray for Good Shepherd as their plans to buy a church building are still on hold. Our prayer is that the owner would agree to sell.

The next meeting will be at Petra on July 7 at 9:30am.
